Admission Guidelines :

- Hostel and transportation charges are not included in the actual fee.
- The blocked seat amount will be refunded or adjusted toward the next year's fee if the student secures admission through K-CET/COMEDK at our college only. and is not refundable to any other circumstance.
- Scholarships are awarded based on the percentage of marks secured by the student in +2/Intermediate/PUC.
- To continue availing of the scholarship in the following academic years, the student must maintain the same percentage. Otherwise, they will be required to pay the actual fee defined at the time of admission.
- If a student chooses to pay the fee semester-wise (50% Fee in odd Sem start and 50% fee in Even Sem start) then an additional ₹5,000 per semester will be charged, apart from the fee defined at the time of admission.
- Skill development fee of Rs.10000 per year is applicable apart from the fee defined.
- Online admissions can be processed with full payment and documents submitted online. And the student should come and complete the admission process by submitting the originals before start of the academic year.
